Protein prices are rising significantly and supply is tight. You need to consider options.....liquid options!

ED&F Man High Protein Liquid Feeds: Cost effective Protein and your sugars for FREE

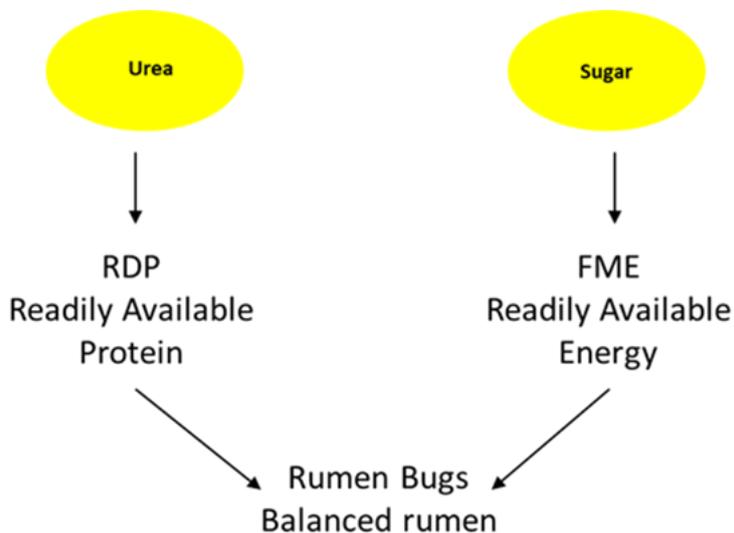

ED&F Man's high protein liquid feeds have been shown to nutritionally replace conventional protein sources

Regulated Release technology is designed to provide the synchronous release of energy and protein improving rumen function in terms of both microbial protein and energy production

Providing cost effective protein in a limited market. Replace 1.6kg of rape/soya @ £0.51 with 2kg high protein liquid feed @ £0.44 – for a 300 cow herd this can mean a saving of +£3000!

The value of protein with all the benefits of a molasses based liquid feed too!

ED&F Man's high protein liquid feeds are available year-round in delivery sizes from 5 to 29mts
