- Can be used indoors or outdoors
- Ideal for larger/more boisterous stock

Trial a storage tank FOR FREE!

If you are thinking of using molasses for the first time, and you want to see if it works for you and your stock, then ED&F Man offer a **2 month free tank trial scheme**.

In ED&F Man's tank trial scheme, a fully-equipped storage tank is delivered on-farm for two months, and you only pay for the product. During this time, the beneficial effects of using ED&F Man's molasses products can be assessed. After the two month trial period, you can purchase the tank outright, or spread the payments using ED&F Man's interest free finance scheme. In the unlikely event of seeing no benefits, the tank can be returned at no cost, except that of the product purchased.

These high level tanks are convenient to use, and allow more cost-effective bulk purchases to be made.

Offer may be withdrawn at any time and is subject to terms and conditions.

Molasses based liquid products offer a range of unique benefits.

Whether you require energy, protein or both, ED&F Man Liquid Products have a product to suit all feeding situations, from straight cane molasses to high protein regulated release products.

Whatever product you choose you will need a storage solution - **ED&F Man Liquid Products** want to make this as simple as possible.
